Dear Massachusetts Farmer:

The Massachusetts Department of Agricultural Resources (MDAR) promotes Bay State farms and farm products. We highlight Massachusetts farms and agricultural businesses through publications, special events, B2B opportunities, and most importantly, on our website, www.Mass.gov/Massgrown. Helping you find profitable markets for your products is an important part of our job. As a Massachusetts producer, you are entitled to the many different listings on the MDAR website.

Please help us update your farm information. We want to send you pertinent information on programs that may assist you. The bi-monthly *Farm & Market Report*, which is sent out via email, is our best vehicle in getting this information out to you. Your information will be applied to our many online farm listings (Ag-tourism, PYO, etc.) on our Agri-Google map at www.Mass.gov/Massgrown. Please fill out attached survey and mail to: Farm Marketing Survey, MDAR, 251 Causeway St., Suite 500, Boston, MA 02114-2151 or fax back to 617-626-1850. If you prefer, you can email to richard.leblanc@state.ma.us.

Please feel free to contact me if you would like to talk about your listing or have any other questions or comments.

Thank you for your assistance,
